HOFMANN TechnologyDay & International Expo 2021 – The world’s most important trade fair for road marking technology

On 25 November 2021, world-class road marking technology specialists will convene for this year’s HOFMANN Technology-Day.

For the 22nd time, the global player HOFMANN Road Marking Technology invites high-level trade professionals from all over the world to its company site in Rellingen, Germany. In doing so, this family company cements its positions as the home and innovation centre of the industry.

HOFMANN TechnologyDay brings together global developments and future visions from the industry. The exciting event programme includes engaging talks given by international experts, exchanges of technical ideas between various professional groups, and demonstrative presentations of the latest technologies – as ever, simultaneously interpreted into the main languages of German, English, Spanish, and French.

On nearly 40 trade fair stands the industry’s key players are represented.

In 2019 around 750 trade visitors from almost 53 countries and representing more than 300 companies have attended the event in Rellingen.
